

SUMMER YOUTH EMPLOYMENT PROGRAM (S.Y.E.P.)

June-July

8:30am- 3:30pm

HABD Youth Workforce Development Training Program is an 8-week program that includes incorporating workshops and on the job training for an average of 120 HABD youth. Workshops include but are not limited to: core concepts of positive youth development, how to prepare for an interview, money management, mock interviews, resume writing and more.

“Summer Youth Employment Program (SYEP) toured UAB’s Biology Department! SYEP peers participated in a lab class and listened to a presentation about Biomedical, Nuclear Medicine Technology; and biology careers”

SUMMER CAMP

June-July

8:30am- 3:30pm

Summer Camp is 7 weeks of educational, health/wellness, and leadership development for youth ages 6-13. Community Center staff provides a variety of activities for youth to enhance them based on the 5 principles: Self-Sufficiency, Health & Wellness, Personal Growth, Education and Financial Literacy. The Summer Youth Camp & Expo provides opportunities for educational field trips, sports leagues and clinics, and youth development for all public housing youth. Lunch is provided.
