

Basketball

HABD hosted an Intramural Basketball League for the youth residents ages 9 to 16. The youth get an opportunity to fellowship with players & coaches from other communities. They experience mentoring in a competitive and safe environment.

Aquatics

HABD periodically offers aquatics through a partnership with the YMCA. This is a Safety Around Water Program at the YMCA Youth Center where HABD youth participate in a 5-day swimming class to introduce youth ages 9 -18 to swimming and rules to being safe around water.
